# Magneti Marelli IWP042 Fuel Injector 250cc

Brand: Magneti Marelli Product Code: IWP042 Availability: 7 Days Weight: 0.04kg Dimensions: 7.00cm x 4.00cm x 4.00cm

# Price: \$117.50

### **Short Description**

The IWP or Pico, fuel injectors from Magneti Marelli are OEM on many high performance cars and bikes. They come in a small package with stainless steel construction and a variety of flow ratings.

### Description

The characteristics of the injector are a fast pulse response, high precision, high dynamic range and optimum fuel atomization. These are achieved by a high performance ON-OFF actuating electromagnet with opposing expansion poles that moves an internal injector valve on high-precision ground cylindrical slides, and a high precision nozzle. The injector has a stainless steel body, a fuel-resistant plastic connector, martensitic stainless steel internal valve and an electromagnet with a low carbon content stainless steel armature. The electrical connection to the control unit is via a Mini-Timer plastic plug.

# **Applications**

Standard equipment on many Renault models using the F4R engine including

- Renault Clio Sport 172
- Renault Clio SPort 182

## **Technical Data**

Pressure range	
Static flow Driver current	
Spray type	
Spray shape	45 degree single stream
Power supply	8 to 16 V
Operating temperature range	30 to 110 °C
Connector type	AMP Junior 2 ways minitimer
Weight	35 g
